-----------------	---

Present Affiliations and Memberships:

- Invited member, Health Education Journal Editors Committee, American Association of Medical Colleges
- National Board for Respiratory Care
- Alpha Eta Allied Health Honor Society, Elected Member
- Appointed member, United Way of Broward County, Health Impact Panel
- American Association for Respiratory Care
- Florida Society for Respiratory Care
- World Association of Medical Editors
- International Webmasters Association
- Health on the Net (HON)
- Sigma XI Scientific Research Society – Elected Associate Member
- Centre for Allied Health Evidence, University of South Australia – IJAHSF
- University of South Australia, journal affiliation

Past Affiliations:

- University of South Australia. International scholar, visiting professor.
- Member, Association of Osteopathic Directors and Medical Educators
- Founding Member, Institutional Review Board, Lincoln Health Network
- Member, Advisory Board, Arizona School of Health Sciences PA program
- Consultant, Doctoral Committee, The Union Institute, Dissertation and Program Advisor
- Founding Co-Chair, Advisory Board, Arizona School of Health Sciences
- Founding Member, Medical Education Committee, Lincoln Health Network
- Founding Member, Faculty Development Committee, Arizona School of Health Sciences

- Member, American Association for Respiratory Care
- Member, Institutional Review Board, KCOM/ASHS
- Member, Residency Development Committee, Lincoln Health Network
- Member, Tumor Board, Lincoln Health Network
- Member, Arizona Board for Respiratory Care
- Member, Curriculum Committee, Physician Assistant Masters Program, ASHS
- Past Chairperson, Physician Assistant Curriculum Committee, ASHS
- Member, Council of Administrative Directors of Medical Education
- Allied Health Consultant, Bank of America Securities
- Visiting Faculty, University of South Australia

Honors:

- Elected Associate Member, Sigma Xi, The Scientific Research Society (Honor Society)(2004)
- Elected Member, Alpha Eta Honor Society (2011)
- Installed Member, Teaching and Learning Academy

Program Development:

- Internet Journal of Allied Health Science and Practice, Managing Editor and Founder - NSU
- Established online manuscript entry program for the IJAHSP - SSU
- Bachelor of Health Science program curriculum and proposal - NSU
- Master of Health Science proposal development - NSU
- Doctor of Health Science Program Development and Curriculum, also founding director - NSU
- Founding Chair, Department of Health Science - NSU
- Doctor of Philosophy, Health Sciences - NSU
- Family Nurse Practitioner Program proposal development in conjunction with Dr. Diane Whitehead - NSU
- Doctor of Nursing Practice Program proposal development in conjunction with Dr. Diane Whitehead - NSU
- Cardiovascular Sonography Program – Bachelors and Masters - NSU
- Vascular Sonography Program – Bachelors and Masters - NSU
- Developed online student centers, College of Allied Health and Nursing – NSU
- Developed the online Student / Faculty Research and Publication Center - NSU
- Physician Assistant Program, Naples - NSU
- Physician Assistant Program Orlando - NSU
- Bachelor of Science, Respiratory Therapy - NSU
- Founding Chair and Council Development, for the Council of Professors, NSU

Committees and Community:

- Member, Health and Wellness Impact Committee – The United Way of Broward County, 2010 to present
- Chair, Council of Professors – Nov 2010 to Present
- Grant Reviewer, United Way of Broward County – 2010 and 2011
- Chair, Faculty Promotion Committee – CAHN 2006 to present
- Quality of Life Committee – NSU and Broward County – 2004 to present
- SACS Quality Enhancement Plan Committee – 2006 to Present University of Bridgeport. Health Science, Physician Assistant Program Review Committee consultant, Connecticut State Department of Education, July 2009
- Chair, Technology Committee, College of Allied Health and Nursing, 10/2008 to present
- Chair, Health Professions Division, Student/Faculty Background Check Committee – 05/2008 to present
- Vice Chair, Student Background Check Committee – 05/2006 to 2008
- Chair, Presidents Faculty Student Research Grants – 05/2008
- SACS Graduate Standards Compliance Committee - 2006
- SACS Site Visit Committee and Task Force – 2006

- NSU IRB – 2002 – 2005
- Government appointed member of the Phoenix Fire Safety Advisory Board (1994)

Course Areas:

- Alternative and Complementary Medicine
- Cultural Diversity in Health and Medicine
- Leadership and Management
- Arterial Blood Gas Interpretation
- Chest Radiography
- Critical Appraisal of the Literature
- Pulmonary Disease
- Mechanical Ventilation
- Aeromedical Physiology
- Stresses of Flight
- EKG Interpretation
- Standardized Patient Testing and OSCE's,
- Medical Writing
- Healthcare Education
- Editorial Processes
- Patient Assessment

Editorial:

- Internet Journal of Allied Health Sciences and Practice, Managing Editor, Founder, Designer, 2002 to present <http://ijahsp.nova.edu>
- Medical Education Online Review Board
- Internet Journal of Academic Physician Assistants, Editorial Board
- Internet Journal of Rescue and Disaster Medicine, Editorial Board
- Internet Journal of Alternative Medicine, Review Board Member
- Internet Journal of Health, Editor in Chief

Technology

- Developed FrontPage templates for fast deployment of online courses
- Developed online communities through web based student centers
- Institute online manuscript submission system for the Internet Journal of Allied Health Sciences and Practice
- Developed the Internet Journal of Allied Health Sciences and Practice online journal and web site
- Training of editors on editorial policies, online manuscript submission system use
- Train faculty on use of web development tools for course design
- Consultant for online educational web sites

Grants / Research:

- Grant Reviewer, Health Professions Division Grant - 2012
- Grant Reviewer, Quality of Life Council, 2008 - 2011
- Grant Reviewer, United Way of Broward Country, 2011
- Grant Reviewer, United Way of Broward County, 2010
- Clinical trials reviewer, 2004 to present
- Research reviewer, Child Health Policy Institute, 2008
- Presidential grant chair and reviewer, 2008
- Research Task Force, Nova Southeastern University, 2007
- Director, Samaritan Research Institute, 1991 - 1996
- Co-writer, Alaska Indian Health Services Surgical Residency grant, 1994
- Co-writer, AZ Tobacco Tax Grant for adolescent and pediatric school medical clinics. Developed 3 pediatric clinics for underserved children, 1995
- Co-Investigator, City of Phoenix, TB Study. Investigation of TB outbreak among rookie firefighters in Phoenix. 1994

- Co-Director, Family Medicine Establishment Grant (Developed 2 Medical Residencies), 1997
- Co-Investigator, Needle Cryothyroidotomy Study, A.S.H.B.E.A.M.S., Harrington Institute. Funded by ASHBEAMS. 1985
- Extra Corporeal Membrane Oxygenation Study, Harrington Institute. Funded by St. Josephs Medical Center., 1982
- Airmedical Physiology Studies, AirEvac. Supported by Samaritan AirEvac., 1981 to 1991
- Instrumentation and effects of altitude on perception of visual plane in mechanically ventilated patients. 1985
- Bronchoscopy Instrumentation and Anesthesia Research, VA Medical Center. Federally backed development of emergency bronchoscopy procedures. 1982
- Development of Dosing in Anesthesia for Bronchoscopy Studies., 1982

Licenses and Certifications:

- National Board for Respiratory Care, Registered Respiratory Therapist, #21905
- Florida Department of Health, Licensed Registered Respiratory Therapist
- Arizona Board of Respiratory Care, Respiratory Practitioner License 000134 (No longer active)
- National Board for Respiratory Care, Certification
